LMIA Application Service

LMIA Application Services for Employers

The Labour Market Impact Assessment (LMIA) is required by Employment and Social Development Canada (ESDC) to ensure hiring foreign workers won't negatively impact the Canadian labor market. Calymer assists both employers and foreign workers through the LMIA process, ensuring a smooth application and successful connection of global talent to Canadian opportunities.

For **employers**, our services include initial consultation to assess eligibility, job description creation, comprehensive recruitment efforts, and application preparation. We handle submission to ESDC, maintain follow-up and communication, prepare for interviews and compliance, and offer post-approval support. We also manage renewals and extensions, and provide legal advice throughout the process.

For **foreign workers**, our support includes work permit applications and ensuring compliance with LMIA conditions, helping with their integration into Canadian businesses. Calymer's expertise ensures every step meets regulatory standards, enhancing the chances of a successful LMIA application and seamless employment transition.

LMIA Application Services for Foreign Workers

Calymer's LMIA services for foreign workers begin with an initial consultation to evaluate skills, experience, and career goals, ensuring a good match with job opportunities and assessing LMIA eligibility. We help tailor resumes and cover letters to meet Canadian standards, enhancing applications and increasing job prospects. Our job application assistance guides you through the process, ensuring accuracy and maximizing matching potential.

We prepare all necessary documents for LMIA and work permit applications, ensuring they meet regulatory requirements. Our submission support ensures timely and compliant applications to IRCC. We maintain regular communication to monitor application status, respond to inquiries, and keep you informed. Interview preparation ensures you are ready for potential IRCC interviews, enhancing your performance and compliance.

Post-approval, we assist with obtaining your work permit and integrating into your new role, ensuring a smooth transition. We handle renewals and extensions of work permits, ensuring continued employment and compliance. Throughout the process, we provide legal advice and representation to address any issues or disputes, ensuring you have the necessary guidance and protection.

Calymer offers comprehensive support for both employers and foreign workers navigating the LMIA process. Our expertise ensures a seamless and successful LMIA application process, facilitating the connection between global talent and Canadian opportunities. Trust Calymer to support you every step of the way, making the journey smoother and more efficient for both employers and foreign workers.
